## PFAS Declaration

In the manufacture of the above-listed products per- and polyfluoroalkyl substances (PFAS) as defined in the Annex XV restriction proposal published on 22<sup>nd</sup> March 2023 are not used as raw materials. To the best of our knowledge, based on information provided by our raw material suppliers plus knowledge of our finished product composition, the product listed above does not intentionally contain PFAS.

As PFAS substances cannot reasonably be expected to be present, this product has not been tested for these chemical compounds. Many substances can be found everywhere. Checking for the presence of these substances is not part of our ongoing production control.

In view of the many factors that may affect the processing and application of our products, this information does not relieve processors from carrying out their own investigations and tests. It is the responsibility of the recipient of our products to ensure that any proprietary rights, existing laws, and legislation are observed.

**This statement applies to the following products / product lines:**

**Kaurit®**

**Kauramin®**

**Luwipal® 066, 072, 063, 073, 066 LF, 066 ULF, 073 LF**

**Basopor®**

**Urecoll®**

**Hardener 88 liquid**

**Hardener 423 liquid**

**Hardener 528 Neo and 529 Neo**
